RAVKOO™ AT A GLANCE

ravkoo™ is a digital SaaS platform for prescription fulfillment, with over 400 distribution centers nationwide in over 110 major cities, providing free, same-day or next-day prescription delivery to patients' doorsteps. At ravkoo™ we strive to improve patient adherence through convenience, consultation, and affordability.

ravkoo™ is fulfilling its mission by offering a software as a service (SaaS) platform that links doctors, pharmacists, and patients.

ravkoo™ checks all cost saving options for the patient before contacting them with the price.

HOW IT WORKS

At ravkoo™ we strive to improve patient adherence through convenience, consultation, and affordability.

Generate prescription volume and foot traffic for your pharmacy

WHO WE ARE TO YOU

ravkoo™ is a digital SaaS (Software-as-a-Service) platform for prescriptions, with over 400 network distribution centers nationwide in 110 major cities, providing free same-day or next-day delivery to patients.

While helping our patients receive the best quality of care is important to us, we also help our network of independent pharmacies generate a high prescription volume and increase their foot traffic, helping their businesses boom while making prescription management easier for our patients. It's a win-win!

Get started today and join the ravkoo™ pharmacy network for no cost!

WHO WE ARE TO YOU

ravkoo™'s mission is to improve patient adherence through convenience, consultation, and affordability. One of the ways ravkoo™ is fulfilling its mission is offering a Software as a Service (SaaS) platform that links doctors, pharmacists, and patients.

- ✓ At ravkoo™, we want the patient to be adherent and healthy. With ravkoo's expansive network of pharmacies most patients qualify for free, same day delivery.
- ✓ We want the patient to be educated. Our portal allows a patient to speak to or text a pharmacist anytime, on-demand.
- ✓ We want the patient to be able to afford the medications. ravkoo™ checks all cost saving avenues for the patient before contacting them with the price.

If your mission aligns with ours, get started and join our network of doctors.
