

Diabetes Management Program

Managing diabetes can be expensive, but with Benzer Pharmacy it doesn't have to be. Benzer has teamed up with ARKRAY, Your Diabetes Health Ally, to provide quality diabetes management at a price you can afford!

With this new partnership, you can get a new **GLUCOCARD® Shine XL** blood glucose meter at no charge* and a 50 count supply of diabetes test strips for just \$12.99. At a price less than your average copay, this program is great for anyone paying cash or more than \$13 with insurance for their diabetes test strips....skip the copay and save!

With our new diabetes management program you not only get a new meter and test strips for just \$12.99, but you also have access to a robust education and prevention programs for pre-diabetics and diabetic alike.

Cost-effective Management

Patients can receive a new blood glucose meter at no charge*. and 50 test strips for just \$12.99. The **GLUCOCARD Shine** is a highly accurate, full feature meter for all your testing needs.

- 1, 7, 14, 30 or 90 day averaging
- Downloadable
- Total, pre/post-meal averaging
- Auto coding

As of **6/1/19**, the **GLUCOCARD Shine XL** is our preferred meter system.

With this new program, patients will now get:

- Blood glucose meter at no charge (1 per patient per year with purchase of strips)
- (50) Test strips for a cash price of just \$12.99 (that's less than your average copay)
- A free Diabetes Wellness Kit to help educate our patients on proper disease state management

Looking for resources on diabetes management?

We've got you covered.

With our new program, you not only get quality diabetes care, but the tools and resources you need for overall health and wellness. With Benzer Pharmacy, you have access to a robust set of tools to help you make small, simple changes for healthier outcomes.

Diabetes Wellness Kit

As part of our new program, you can receive a diabetes wellness kit at no cost. Simply register your new meter and your kit will be mailed out to you. **Register online** or call **1.800.566.8558**

Diabetes Management Resources

In addition to the diabetes wellness kit, you can get all sorts of free online wellness resources for living a healthy lifestyle. **Sign up here** and also ask your pharmacist about our other in-house consultative services.

*Program includes (1) no charge blood glucose meter per year, per patient. Patient must purchase a 50 count supply of GLUCOCARD test strips at the time of redemption to qualify for their no-charge meter. Offer valid while supplies last
